## Contributors

**Roland Miguel Alejandrino** took his Bachelor of Science in Architecture degree at the University of the Philippines. He was involved with the production of the Ivatan House Manual (IHP-1) and assisted the Batanes province in its bid to be encrypted to the UNESCO World Cultural Heritage and Natural Sites.

**Sheila O. Angeles** is a recent graduate of Bachelor of Landscape Architecture at the University of the Philippines. Her secondary education was spent at the Cavite National Science High School.

**Edson Roy G. Cabalfin** taught at the University of the Philippines College of Architecture as a teaching associate where he finished his undergraduate and graduate degree on architecture. He took his second masters degree at Ohio University and he is now finishing his doctorate degree at Cornell University. He specializes in Philippine architectural history, theory and criticism.

**Nicolo C. del Castillo** has finished his undergraduate and graduate degree in architecture at the University of the Philippines where he worked as a university research associate. He is now a lecturer and acting director at the Office of the Campus Architect. He teaches architectural design and architectural communication subjects. He is currently the head of the Environmental Architecture Laboratory at the UP College of Architecture.

**Ruby Teresa M. de Leon** has completed her Bachelor of Science and Masters degree in Architecture at the University of the Philippines. She has been involved in research undertakings on standardized housing units, typologies of dwelling units, rainwater use for buildings, and heritage building among others. She is currently a senior designer at F.L. Hong Architects and Associates. At present, she is Assistant Professor and Director of the BS Architecture Program in the University of the Philippines.

**Vic L. Dul-loog** is a graduate student mastering tropical landscape architecture at the University of the Philippines where he also finished his Bachelor of Landscape Architecture degree.

**Mary Ann A. Espina** is a professor of architecture and landscape architecture in UP. She took up her BS Architecture at the University of San Carlos in Cebu while her M Landscape Architecture at the University of Massachusetts. She is also principal architect at Espina, Perez-Espina & Associates.

**Alex Ray P. Evangelista** took his BS Architecture degree at the UP College of Architecture. He finished his MS Architecture major in Urban Design in 1996 at the University of North Carolina and a Diploma in Urban and Regional Planning at the UP School of Urban and Regional Planning. Currently, he is an Assistant Professor, Director of the Student Relations Office and a member of the Urban Design Laboratory at the UPCA. He is affiliated with the Center for the Designed Environment Professions and Alternative Urban Futures.

**Enrico G. Flor** is working as a university research associate while finishing a Masters degree on Tropical Landscape Architecture at the University of the Philippines. He took an undergraduate degree in horticulture at UP Los Baños.

**Franklin S. Fontanoza** is a recent graduate of Bachelor of Landscape Architecture at the University of the Philippines. He took his secondary schooling at Lourdes School of Mandaluyong.

**Charles Simon D. Frivaldo** recently graduated with a Bachelor of Science degree in Architecture at the University of the Philippines. His secondary education was spent at the Philippine Cultural High School.

**Zenaida C. Galingan** is an assistant professor and director of the landscape architecture program in the University of the Philippines. She finished her undergraduate and graduate degree in LA both in UP. She was adjudged as the most outstanding professional in the field of LA by the Philippine Professional Regulation Commission in 1996.

**Gemma Sheila C. Gonzaga** finished her Bachelor of Science in Architecture at the Cebu Institute of Technology. She is currently enrolled in the architecture graduate program of the University of the Philippines Diliman majoring in housing.

**Jose F. Ignacio** is an architect, visual artist and a senior lecturer at the University of the Philippines College of Architecture where he finished his BS Architecture degree. He specializes in tropical design which he mastered at the University of Sheffield, United Kingdom and Heritage Architecture through training programmes taken at Lund University in Sweden. He is currently the assistant laboratory head of the UPCA Environmental Architecture Laboratory.

**Janrey F. Laureano** has recently completed his Bachelor of Science degree in architecture at the University of the Philippines. He had his high schooling at the Natividad National High School.

**Godesil C. Lejarde** is finishing her master's degree in architecture at the University of the Philippines after graduating at the Bulacan State University with a bachelor of science degree in architecture.

**Josefino C. Lucas** took his Bachelor of Science in Architecture and Master in Urban Planning degrees at the University of the Philippines where he has been teaching as a senior lecturer since 1999. With specialization on real estate management and urban planning, he was formerly president of Carmelray Town Corp., EVP. COO of Jardine Land, Inc. and an expatriate executive in an Indonesian property development company.

**Prosperidad C. Luis** graduated from the University of the Philippines with a Bachelor of Science in Architecture and Master of Architecture degrees. She finished a post graduate diploma course on Health Facility Planning at the University of North London. She is the principal architect of Luis & Associates, currently the dean and professor at the UP College of Architecture. She specializes in health facility planning and architectural design.

**Ismael III A. Melendres** has completed his undergraduate Bachelor of Science degree in Architecture at the University of the Philippines. He finished his secondary education at the Ateneo de Manila.

**Emilio U. Ozaeta** is a lecturer at the University of the Philippines where he earned his Bachelor of Science degree in Architecture and where he is working towards his graduate degree in architecture. He specializes in architectural history, theory

and criticism, and is an instructor at the Center for the Designed Environment Professions.

**Niño Jess T. Pactao** is a recent graduate of the University of the Philippines with a Bachelor of Landscape Architecture degree. His high school was spent in Meycauayan College.

**Grace C. Ramos** is an assistant professor at the University of the Philippines. She finished her Bachelor of Science degree in Architecture at the UP Diliman, and a graduate degree in Urban Development Planning at the University College London, United Kingdom. Her fields of specialization are urban planning and housing. She is a partner and instructor at the Center for the Designed Environment Professions.

**Francis L. Santaromana** finished his BS architecture and Master in Architecture degree at the University of the Philippines College of Architecture. Currently, he is with the college as a professor and head of the Architectural Design Studio Laboratory. His professional path is geared towards projects involving architectural design, planning, project management, and interior design.

**Romeo B. Santos** is an associate professor and the current director of the Master of Architecture Program at the UPCA. He finished his BS Architecture degree at the U.P. He has a graduate degree in Architecture and Building Engineering from the Tokyo Institute of Technology and a doctorate degree in Engineering at the Chiba University, Japan. He specializes on project & construction management economics and building production system. He is also the executive director of the Home Earth Foundation, a research oriented non-profit organization.

**Jose Dan V. Villajuan** is a lecturer at the University of the Philippines College of Architecture where he took his undergraduate and graduate degrees in landscape architecture. He specializes on planting design, ecology and river systems.
